Bandcamp income report

August 1-31, 2026 · UTC · All regions · USD

Support Colombia Earthquake x T.A.M -
14 Techno Cañonazos Bailables Vol.3

English summary prepared from the original T.A.M report and its Bandcamp revenue CSV. The figures cover the complete album and three individual track sales.

RELEASE SALES	UNITS
Complete album	30
Individual tracks	3
Total	**33**

INCOME AND DEDUCTIONS	USD
Gross income, including taxes	266.13
Taxes	17.47
Bandcamp revenue share	24.87
Collection society share	11.33
Payment processor fees	14.87
Total deductions	68.54
Net income	**197.59**

Documented donation: USD 198.00
The GlobalGiving screenshot shows a completed donation. The PayPal PDF dated September 3, 2026 shows an authorization for USD 198.00. The difference from Bandcamp net income is USD 0.41.

How to reproduce the figures
Filter the source CSV by the exact release title in “Container name”. Four rows are included. The supporting workbook links those rows and calculates the totals using formulas.

Source: 20260801-20260831_bandcamp_rev_report_The-Acid-Mind-Recordings-(T.A.M.R)_T.A.M.csv. Original report: TAM_Bandcamp_agosto_2026.pdf.

This prepared summary documents sales income, not a donation transfer. It is not an official Bandcamp receipt. September income and ePayco contributions are excluded. Original donation evidence is included separately, unchanged.
